SIR,

I have the honour to inform you that candidates who desire to appear for the Lower Secondary Examination from schools in the Civil and Military Station; Bangalore, have to do so at present as private candidates paying a higher rate of fees, and also they should not be less than 14 years of age on the date of application, being the age fixed for private candidates. Year after year applications are made by the Managers of several of the Educational Institutions of the Civil and Military Station to recognize them for the purposes of the Mysore Lower Secondary Examination. As there is not much difference in the curricula of studies followed in the schools of the C. & M. Station and our schools, I request that Government may be pleased to authorize me to allow candidates from the recognized schools in the C. & M. station to appear as pupil-candidates for the Mysore Lower Secondary Examination.

I have the honour to be,

Sir,

Your most obedient servant,

Sir,

With reference to your letter No.532/Edn.55-14-2 dated 3rd October 1914 inquiring if the Madras Educational Department have no objection to the schools in the Civil and Military Station, Bangalore, being recognised for the purposes of the Mysore Lower Secondary Examination, I have the honour to state that the Director of Public Instruction, Madras, whom I consulted, states that it would lead to confusion to allow these schools to send up pupils for the Mysore Lower Secondary Examination and adds that he does not approve of their recognition. Under these circumstances, I request that the question of recognition of these schools as recommended in my letter No.3571/168 dated 4th September 1914 may be dropped.

I have the honour to be,

Sir,

Your most obedient servant,
